

REMARKS

Since there is no Figure 10C in the drawings, removal of reference to Figure 10C in the Brief Description of the Drawings and in the Detailed Description of the Preferred Embodiments is required for consistency between the drawings and the Brief Description of the Drawings in the specification.

In addition, it was noted that a typographical error was present with respect to the Brief Description of the Drawings referring to Figure 9B. This typographical error has been addressed herewith.

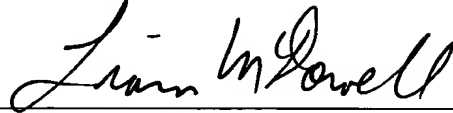

As the propriety of these changes under the provisions of Rule 312 seems to be unquestionable, entry of the present amendment is believed clearly to be in order and the same is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any

additional fees required under 37 C.F.R. § 1.16 or under 37
C.F.R. § 1.17.

Respectfully submitted,
